

Take a Peek at our Week!

Mrs. Gašić's Preschool Class

March 7th— 18th

Happy Saint Patrick's Day everyone! We have had a fun 2 weeks of Saint Patrick's day fun and celebrating the color green! Last week we focused on the letter J by gluing Jewels on letter J. We also made Lenten Crosses. On Friday last week we practiced writing the letter J and mixed yellow and blue paint to make green after reading the story "Little Blue and Little Yellow". Today, I've been hearing all about the Leprechaun mischief that happened at home yesterday! We had a little Leprechaun fun of our own at school! On Monday the kids made a "Leprechaun Playground" for a little Leprechaun to have some fun on! We also put dots on letter D and painted a beautiful rainbow handprint mural. Well it appears that Lucky the Leprechaun had quite a bit of fun on Thursday while we were gone playing on the playground that they built out of legos, paper, popsicle sticks, and gold coins. Lucky left us a scavenger hunt that led to a bowl full of chocolate coins because he thought we were so nice!

Next week we will learn about our Healthy Bodies!

Special Dates:

- March 18th**—Scholastic Book Orders Due
- March 29th**—Happy Birthday Lucy!
- March 31st**—Happy Birthday McKenna!
- April 1st**— April Fools Day!- Bring a joke to share with the class!
- April 8th**— No School— Superintendents Conference Day
- April 13th**— Cereal Boxes due for "Knock Down Hunger" domino run!

Special Notes:

This Lent we are collecting boxes of cereal for a local charity. We will be attempting to make a GRAND "domino run" out of the cereal boxes on April 13th. The more boxes of cereal that we have, the bigger (and cooler) run we can make! Next time you are out grocery shopping, consider adding a couple extra boxes of cereal to your cart. (Although "bulk" cereal boxes are great for the charity, they won't be very helpful for our domino run— we would prefer standard size cereal boxes if possible). Thank you for your generosity.
